To Whom It May Concern,

It is my pleasure to write this letter of recommendation for Aiden Nickel. I had the privilege of supervising Aiden during the summer of 2025 and the November Reading Week, when he served as a General Labourer and Janitorial Support at Beacon Christian School in St. Catharines, Ontario.

Throughout his time at Beacon, Aiden consistently demonstrated a strong determination to complete tasks to a high standard. He approaches his work with initiative and creativity, often finding innovative ways to solve problems and improve efficiency. Aiden is punctual, approachable, friendly, humble, and communicates clearly and respectfully.

Aiden also showed a fearless enthusiasm for learning new skills. He regularly asked to take on new tasks and responsibilities around the school. After walking through a task with him, he would ask thoughtful clarifying questions and then take full ownership of the work until it was completed. While completing his duties, he demonstrated good judgment by asking follow-up questions and offering constructive suggestions to improve both efficiency and the quality of the final outcome.

I am confident that Aiden will be an exceptional addition to any workforce and will contribute positively to the overall success of an organization. I strongly recommend him without reservation.

Please feel free to contact me if you require any additional information.

Respectfully,

Terry Visser
Facility Manager
